7. The tender committee of REMCO shall open the bids in the absentia of bidders or their representatives.
8. The soft bids must indicate the tender name and title
9. Bidding will be conducted in accordance to the laws of Rwanda and the internal rules and regulations of REMCO.

Signed,

.....  
CEO

## 1. Back ground

Rwanda Engineering and Manufacturing Corporation (REMCO) is a company that started in 2018 and is owned by the government of Rwanda. REMCO was established to manufacture machines, equipment and spare parts that were previously imported to serve in the sectors of Agriculture mechanization, Construction, Mining, Automotive, Energy, Defense and Health care. REMCO also provides technical support services to other local as well as regional companies through training, repair and maintenance services.

REMCO would like to procure additives that will help in the foundry during melting activities to be able to cast materials of different chemical and mechanical composition.

## 2. Tender presentation

Tenders must include the following phases and they will be evaluated in the same fashion:

### 2.1. Administrative phase

All offers must include the following documents.

- A company profile.
- A valid company business registration certificate.
- A well signed and stamped bid or offer
- Evidence of supply of these particular materials all or part to any other customer.

### 2.2. Technical phase:

The furnace additives must correspond to the following specifications, any lower specifications will not be tolerated.

| No | NAME OF ITEMS                        | SPECIFICATIONS   | UNIT OF MEASURE | QUANTITY (T) |
